Subject: September 2017 Pen & Pencil Price List!!!

Dear Customer,

I have deleted some items that sold, and added a few new pens and pencils recently acquired. IF you have any questions on any of these pens and pencils, just ask.

ALL pens have been cleaned, polished and waxed. The nibs have been flushed and a new ink sac installed. I have restored each one, filled and tested them. All are in working condition and await their next owner to ink them up!. ALL pencils have been cleaned and polished and waxed. All are in working condition and have lead in them. On the better pencils, I made new erasers.
